

To: Dr. Nicolae Victor Zamfir, General manager, National Institute for Research and Development in Physics and Nuclear Engineering Horia Hulubei
Ref: Invitation, Cluj Innovation Days 2016, 31st of March – 1st of April, 2016

Dear Mr. Director,

I am writing on behalf of Cluj IT Cluster to cordially invite you to take part in the international conference we organize on **March 31st and April 1st 2016**, entitled ***Cluj Innovation Days 2016 // Towards the Digital Age in Medicine and Government***. This is an annual event that brings together business leaders, representatives of Government and local authorities, personalities from academia and IT specialists. The event is dedicated to the promotion of innovation across industries, but also to the enhancement of interest of various stakeholders for identifying collaboration opportunities.

More than 400 people are expected to attend during the two-day conference. More details are available on the event's website www.clujinnovationdays.com, subject to regular updating. The event will be hosted by one of the leading universities in Romania, "Iuliu Hațieganu" University of Medicine and Pharmacy.

As we believe that your presence will be mutually beneficial we kindly invite you to register **for free participation at Cluj Innovation Days until no later than 23th of March** by using the following code: **GUEST-CID2016** on the event's website registration section (the code is valid until the indicated date, afterwards registration will be possible only for a fee or by sending an email at contact@clujit.ro).

We would be more than honored to have you as a guest, here in Cluj.

Sincerely,

Prof. dr. ec. dr. ing. Stelian Brad
President Cluj IT Cluster
